We also offer themed weekends for our group of guests: A village wedding weekend, Pig slaughter in the village and the Battle of Zenta weekend - all with optional programs (boat trip on Tisza, visit to the Old Crafts House, visit to the Country House, horse carriage ride).

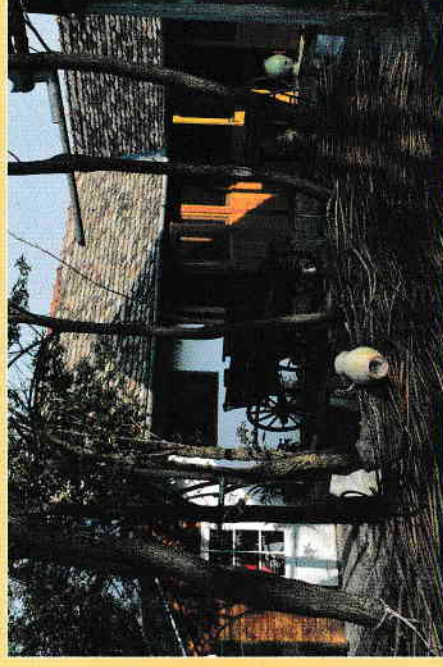

Our guesthouse has a rustic feel and modern, high quality service (19 rooms, 54 beds). Comfortably furnished twin and triple rooms have a private bathroom and shared kitchenette, cable TV and unlimited internet access.

The guesthouse is a great choice for families, friends, and company representatives to spend time in a relaxed environment.

Zenta and its surroundings, Felsőhegy and Csóka are the vineyards and orchards. In Anna Panzio, a wine cellar provides a cozy setting, a comfortable and pleasant space for 10-12 people to sit for tasting local wines, home made brandies, eating and good conversations. The cellar provides a refreshing almost constant temperature during winter and summer.

Anna Panzio is a welcoming, rural setting, for hosting family celebrations, first Communion, confirmations, birthdays, weddings, class reunions.
Its cozy yard and grill kitchen is well suited for up to 50 people.
