Study in Houston, TX – DEADLINE : 4/1/2023

Houston Methodist Hospital has entered into an agreement with all 4 Hungarian medical schools (University of Debrecen, Semmelweis University, University of Szeged, University of Pecs) to provide 12 week credit-bearing senior electives to medical students who are in their last year of education (apply for the program during 6th year).

The rotations begin four times a year. The exact dates will be determined by HMAA at the beginning of May 2023. (Interview date: 4/24/23)

The purpose of the Program is to facilitate the exchange of medical students as well as expand the experience and knowledge between the involved medical universities. With this program the HMAA allows students develop improved medical knowledge and establish long term professional relationships, that in turn fosters improved healthcare in Hungary.

This program is sponsored and managed by the Hungarian Medical Association of America, HMAA.

Study in Buffalo, NY – Application deadline April 1, 2023

(10 Dent Neurological Institute has entered into an agreement with the four Hungarian medical universities that teach medicine to provide 8 week credit-bearing senior electives to medical students who are in their 6th year of education (apply for the program during 5th year)

The rotations begin four times a year, approximately in July, September, and December of next year and March of the year following the next. The exact dates will be determined by HMAA (shortly after interview).

The purpose of the program is to facilitate the exchange of students as well as experience and knowledge between the involved medical universities. With this program the HMAA contributes and provides broad medical knowledge to young Hungarian physicians who are entering the Hungarian health care system.

This program is sponsored and managed by the Hungarian Medical Association of America, HMAA.
